PROFESSIONAL SUMMARY

Civil Engineering undergraduate with hands-on experience in drafting, 3D modeling, and site-based surveying. Proficient in AutoCAD, Revit, SketchUp, and BIM workflows for residential and infrastructure projects. Experienced in road surveying, dam inspection, and cost-effective construction planning. Strong foundation in interior layout design, quantity estimation basics, and technical documentation.

EDUCATION

B.Tech in Civil Engineering (APJAKTU) <i>Vidya Academy of Science and Technology, Thrissur</i>	2024 – Present Kerala, India
Diploma in Civil Engineering (SBTE) <i>Maharaja's Technological Institute, Thrissur</i>	2021 – 2024 Kerala, India
Class X (THSLC) <i>Technical High School, Thrissur</i>	2021 Kerala, India

TECHNICAL SKILLS

Civil & Design Softwares: AutoCAD, Revit, SketchUp, STAAD Pro, Navisworks

Project and construction tools: MS Project, Primavera P6, MS Excel

3D modeling and Rendering: Autocad 3D, Blender, 3ds Max, V-Ray

Programming and Automation: Python, HTML, CSS

Presentation & Visualization Tools: Photoshop (Render Post-Processing and Mood Boards), Illustrator (2D Presentation Plans and Layouts), Premiere Pro (Design Walkthrough Videos), After Effects (Concept Animations – Basic)

Other skills: BIM Coordination, Drafting, Interior layout planning, Quantity estimation (basic), UI/UX

LANGUAGES

English: Professional Working Proficiency (C1)

German: A1 (Learning A2)

Malayalam: Native Proficiency

Hindi: Elementary Proficiency

PROJECTS

Socio-Economic Construction Practice Interface <i>Cost-effective construction methodology</i>	2024 <i>AutoCAD, Revit, Excel, React.js</i>
Designed residential layout plans and 3D models based on user-defined budget constraints.	
Performed basic cost analysis using material rate comparisons and space optimization.	
Researched eco-friendly and cost-effective construction materials for low-income housing.	
Integrated planning logic to assist in decision-making during early-stage project design.	

WORK EXPERIENCE

Dam Inspection Intern

Chimmini Dam (Onsite)

- Studied structural components, safety systems, and maintenance procedures of a major dam.
- Conducted visual inspection of earth and masonry sections to identify settlement and distress.
- Observed and documented sluice and spillway gate operations.

May 2025
Thrissur, Kerala, India

Road Surveying Intern

Vadakkancheri Block (Onsite)

- Conducted road surveying using auto level for road extension and pipeline alignment works.
- Documented sluice and spillway gate operations under supervision.

June 2024
Thrissur, Kerala, India

CERTIFICATIONS

AutoCAD

CAD Space, Thrissur

2022
Kerala, India

Revit

CAD Space, Thrissur

2023
Kerala, India

Interior Designing

CAD Center, Thrissur

Ongoing
Kerala, India

ACHIEVEMENTS

College Media Sub-Head

Vidya Academy of Science and Technology, Thrissur

2024 – Present
Kerala, India

EXTRA-CURRICULAR ACTIVITIES

College Media

2024 – Present

- Handled photography, videography, and social media content for college events.
- Collaborated with team members to organize media coverage and presentations.
- Developed skills in video editing, graphic design, and event documentation.

National Cadet Corps (NCC)

2021 – 2024

- Attended Army Attachment Camp in Bangalore, India
- Visited Para SF and Madras Regiment units as part of the Army attachment camp.
- Gained experience in discipline, team coordination, and high-pressure training environments.
